

The Annual **Techno-Management Fest**

BROCHURE 2022

ABOUT US

Madan Mohan Malaviya University of Technology, Gorakhpur has been a benchmark of technical excellence for the last 59 years. To enrich its brand name, the institute has its own IEEE Student Branch which has been successful in ameliorating the intellect of the masses.

For the past 19 years, the IEEE Student Branch along with SAE India Collegiate Club has been organizing the annual techno-management fest of the college, $\text{\text{TECHSRIJAN}}$. With similar extravaganza but with a tinge of more advanced technologies and a dynamic line up of events, we present $\text{\text{TECHSRIJAN}}$ '22.

FROM THE VICE-CHANCELLOR'S DESK

Madan Mohan Malaviya University of Technology, Gorakhpur has grown to become National Flagship, research-led University known for the excellence of its teaching, research and its service to local, national and international communities.

Our vision is to make MMMUT a name to reckon within the academic fraternity by giving strong impetus to creating an environment of knowledge application and holistically inspiring students to become eminent leaders of tomorrow. We are prepared to accept new challenges and make our University a world class Education-center.

**Prof. Jay Prakash Pandey, Vice-Chancellor
MMMUT, Gorakhpur**

FROM THE **FACULTY ADVISOR'S** DESK

I, Brijesh Kumar, the Faculty Advisor of IEEE feel proud to enunciate the beginning of TECHSRIJAN '22.

TECHSRIJAN is the annual Techno-Managerial fest organized by MMMUT. It is the best platform provided to the freshmen of the University and to the overall campus to present their skills on various levels.

Robotics, Paper Presentation, Enigma, etc. helps the students not only from the University but across the nation to solve the puzzles of Engineering. This is the 23rd edition of TECHSRIJAN and we feel honoured to invite you to be a sponsor and a partner in this esteemed event which would not only help us in organizing the event but also help you grab hold on the students as a potential customer.

CHAIRMAN'S WORDS

TECHSRILAN helped students to facilitate and promote studies, research, technology incubation, product innovation and extension work in Science, Technology and Management Education and also to achieve excellence in higher technical education. It gives a platform to fresher students to increase their skills as well as how to develop innovation.

We promise that this time **TECHSRILAN** would be much bigger and better and this time 'THE NEXT BIG BANG' will be heard at Madan Mohan Malaviya University of Technology, Gorakhpur. We hereby put forth the 'PROPOSAL OF SPONSORSHIP' of the event will be mutually beneficial for us. We hope to have a positive response along with bonds that may last forever.

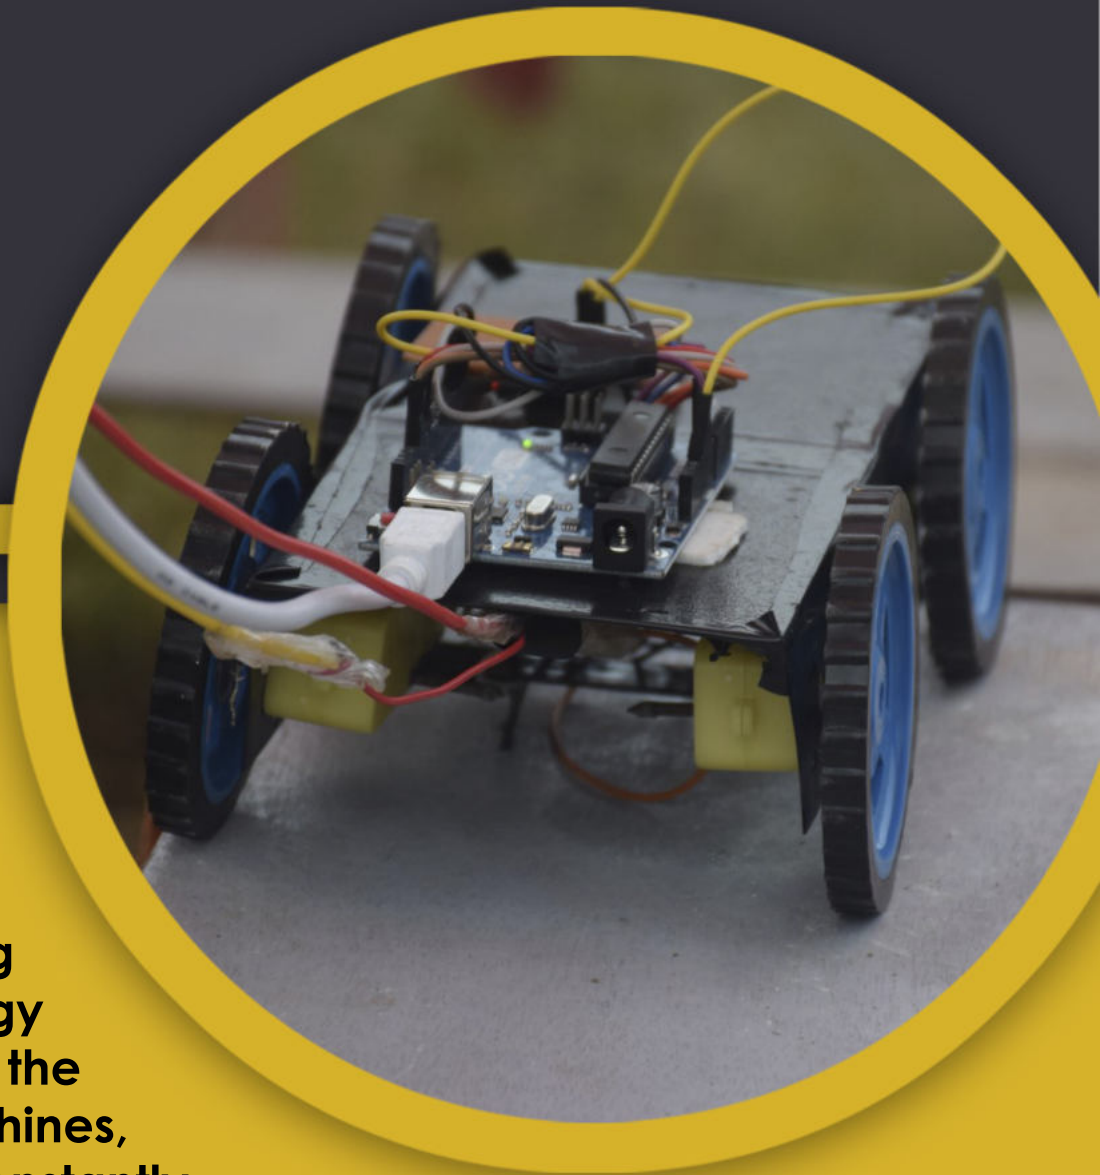

Shreyash Sharma,
Student Chair,
IEEE Student Branch
MMMUT

1

ROBOKRITI

The evolution is not just confined to all that is living but to technology as well. Since the advent of machines, man has constantly striven to build machines that can substitute human labour. A faithful servant, a relentless and effective worker.

The Robotics of module of **TECHSRIJAN '22** provides you a perfect platform to bring forth new ideas and produce novel technologies in the quest to build a perfect machine.

2

FEST NIGHT

Apart from all the technical fun, there awaits some really cool and amazing performances and acts including laser shows, rock bands, fashion cultural events boost the zest of the fest. **TECHSRIJAN'19** marked of the presence of eminent female DJ from India.

3

INFORMALS

With the offbeat incentric events, here is the place where you can lose yourself and enjoy to the fullest. Plenty of addictive and enchanting games, fun, adventures and this event is something for one and all.

If hardcore tech is too hard for your cup, then this is the place where you can make your presence and have a feast for your eyes. Informals provide you a perfect platform to showoff your non-technical skills.

4

COLLEGE CONNECT

Through College-Connect, we expose school level students to latest technologies and to culture of a Technical University. It is an individual competition. First round will be held in school premises. It will be held in two groups: 9th-10th and 11th-12th. Each paper will comprise of 45 questions.

Time duration of the quiz will be one hour, with no negative marking. From each group two students will be selected from each school and further round will be held in MMMUT campus. Certificates will be provided to the students qualifying for round two. Winner and first runnerup will be awarded with certificates, prizes and goodies.

5

ONLINE EVENTS

The pictures spark epitome of imagination in you, so unleash your creativity and show your world of imagination through your camera in PIXELS. Get ready to showcase your photography skills.!!!

6**ENIGMA**

ENIGMA is an online treasure hunt with an interesting story plot and a fascinating outcome. If you think that you can 'GOOGLE' well-enough. Enigma is the game for you!!!

Cracking the uncrackable is how we define ENIGMA. Decrypting the enciphered messages is key towards the right answer.

Be ready to witness the mystification of mind twister in TECHSRILAN '22.

7

TECHPRASTUTI & MANTHAN

These events are designed to cater to the intellectual requirements of the students at national level. Giving words to their ideas, student have an excellent opportunity here to present before the world.

No limits!!! No boundaries!!! Techprastuti & Manthan are presentation event to enhance your speaking skills and allow the speaker to convey his message in a thoughtful, passionate and convincing manner.

8

CODEZILLA

These events are aimed to test the basic technical and entrepreneurial skills of the students. They provide an opportunity for all the designers to the test their mettle!

CODEZILLA is a coding event for students to check their coding skills. Coding has well and truly made its way into the mainstream and not just for those who can type 100 words per minute while looking at an endlessly scrolling text of screen.

9

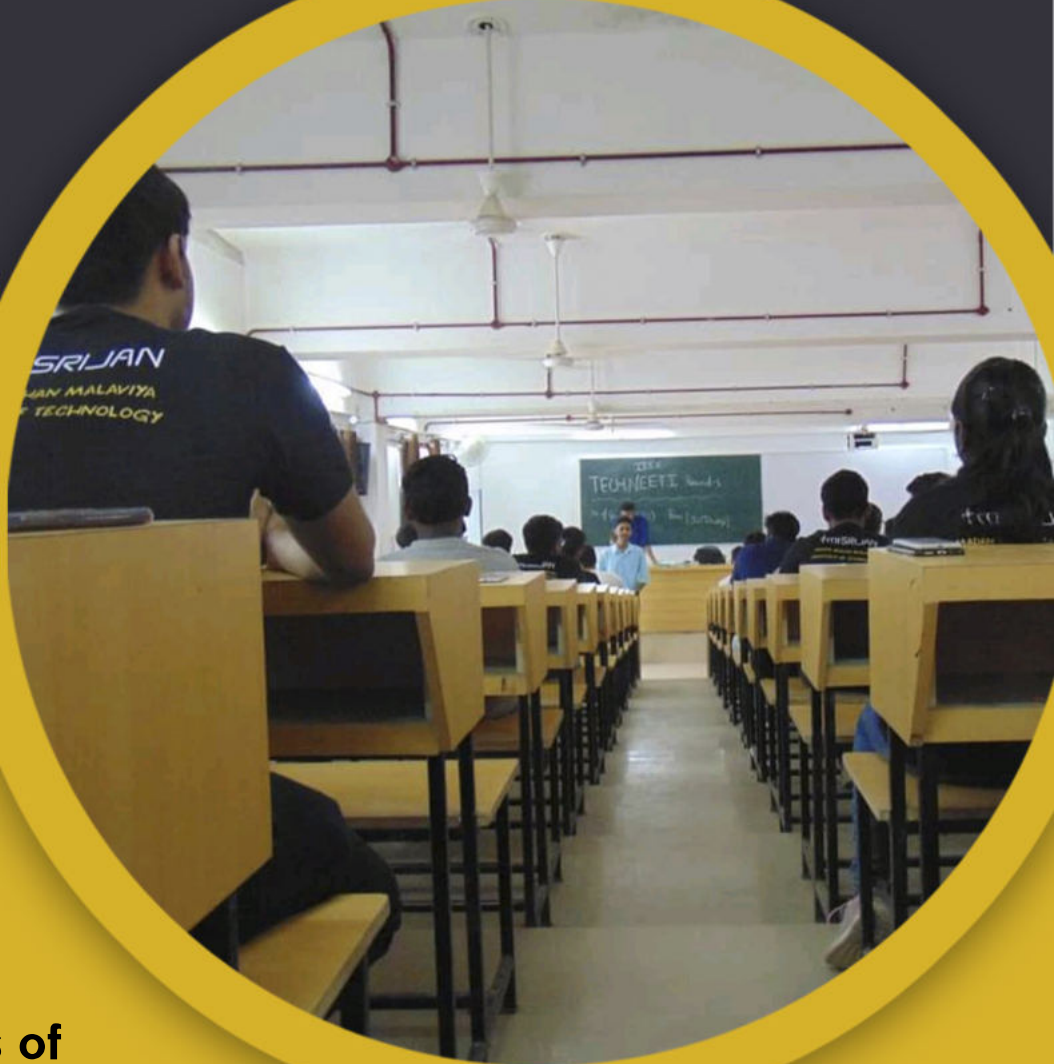

INCOGNITO

These events consist of competition of various multiplayer games such as Counter Strike, FIFA, Tekken, Mini-Militia and Need for Speed Most Wanted. The sole purpose of these events is to make students entertain and relax them during technical events. These events are team events. So, the team with best players wins!

10

TECHNEETI, BIZGYAN & WORLD PARLIAMENT

TECHNEETI and BIZGYAN are quiz events aimed to test the basic technical and entrepreneurial skills of the students.

WORLD PARLIAMENT is a debate event that replicates War of the Words between the eminent nations of the world over the burning issues of the century.
